

How to register your child to become Club-Member of SV 1921 Erbenheim e.V. (Soccer Club)

Dear parents,

we are more than happy about your decision to register your son/daughter for membership in our Soccer Club SV 1921 Erbenheim. To avoid unnecessary complications and time delays we have put together some useful and important informations to guide you through the formal registration process in the most effective and less time consuming way:

- Before we can start the official application process for a player's licence for your child, you have to fill out the application form to become Club Member of SV 1921 Erbenheim. In addition you have to pay the first membership fee in advance.
- The amount of money of the first membership fee is payable cash and at the same time of the handover of the application form for Club-Membership. (€ 5,-/ per month for the remaining year plus a nonrecurring admission fee of € 20,-)
- Subsequently you can transfer the money via bank collection procedure on an annual base. For that reason and to avoid return debit notes because of e.g. transposed digits, we kindly ask you to show us your banking card. Any costs of return debit notes will be charged at your expense.
- To apply for the player's licence we need the following documents:
 - Medical certificate showing that your child is able to play soccer
 - Certificate of birth(copy)
 - Copy of the passport
 - Register certificate of the town or the army
- Important: both certifications are not necessary if your child will switchover from other Soccer Club's to SV Erbenheim. In that case we just need a power of attorney to be able to unsubscribe your child's old club online.
- Finally we need an up to date passport photography for the new player's licence of your child.

We would like to welcome you and your child/children to our Club Community

With kind regards

Club Management of SV 1921 Erbenheim e.V.
